Project description:

This project is about the finishing of the complex connections of the cities and municipalities of the Central part of Krušné Hory Mountains over the border crossing Boží Dar/Kurort Oberwiesenthal and Mílov. This means the communication net of 60 km motorways and more then 100 km ways with 5 boarder crossings. Realization of this project will prepare the conditions to establish the common destination of the travel movement of the Central part of Krušné Hory Mountains on the area among the peaks Klínovec – Fichtelberg – Rabenberg. In the Czech part of the area will be reconstructed part of the communication between the border crossing Boží Dar/Kurort Oberwiesenthal and the peak Klínovec. In the German part of the area will be reconstructed ways to the border crossing Mílov.
