The Elbe cycle track is a major trans-border element which connects Saxony and the Ústí district. Both sides have developed this cycle track to a different degree.
The Elbe cycle track is being coordinated by four different authoriites who are working closely together with local partners. In Saxony the cycle track is being coordinated by the Saxon Switzerland tourist association Tourismusverband Sächsische Schweiz e.V. and on the Czech side in the Ústí district it is being coordinated with the full support of the Partnerschaft Foundation. Both bordering coorindators have prepared the project with both sides continuing to develop the Elbe cycle track through joint public events, linked Internet pages, the preparation of promotional material as well as Know-How and Best-Practise-Transfer from Saxony to the Czech Republic through practical events for individual problematical areas. Monitoring the visitors who use the Elbe cycle track is a further element of this project.

Planned project results:

- Multilingual presentation labska-stezka.cz
- Promotional material
- One practical seminar and two one-day events
- Cycle tour Tour de Labe
- Recording the number of visitors at four points along the Elbe cycle track
